

Topic Boards.

Topic boards are the ideal way to keep guests informed and up to date with the latest news and information. Dynamic and engaging content including local travel, health, sports, and entertainment can be automatically updated and displayed with indispensable guest information. Guests visiting your hotel for work, travel or holiday are all looking for information to make their stay relaxing and stress-free. Using our Topic Boards, this can easily be providing for them; helping you to strengthen guest relations and increases satisfaction during their stay.

Content topic boards we can bring to your guests include:

- Travel Boards
- Local Boards
- Sports Boards
- Health Boards
- Bespoke & Custom Boards

Travel Boards

Travel information is vital for all guests. Using Travel Boards provides easy access to key information for air travel, local traffic, public transport and weather, helping them get to their destination conveniently and on time.

Information includes:

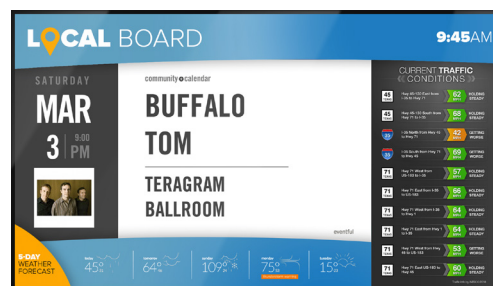

- Flight tracking
- Local traffic conditions
- Public transport times
- Weather radar

Travel Boards

Incorporating local information as part of digital signage gives your guests an insight into the community, making them feel welcome. It also helps fill their schedule with exciting events unique to your local area. Local Boards make this easy by displaying information for local attractions, festivals, tours, exhibitions, concerts and more.

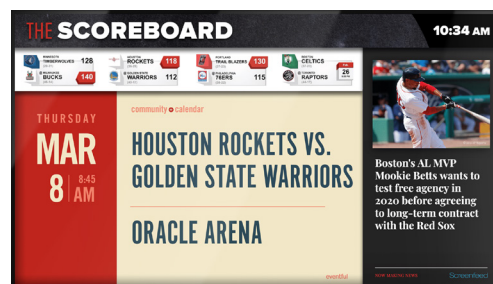

- Local Community News
- Upcoming Local Events
- Sporting Events
- Tourist Information

Sports Boards

Keep travelling sports fans up to date with the latest scores as well as any major sports-related news. A popular news feed to prioritize in bars and restaurants to help customers relax and wind down.

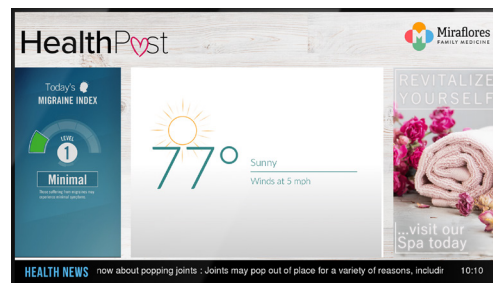

- Latest sports scores
- Calendar of sporting events, ticketing details and fixtures
- Sport-related newsfeed
- Add local sports team customization

Health Boards

Display information feeds covering all the latest health news and advice to keep your health-conscious guests safe, informed, and relaxed.

- Current local health conditions
- Health infographics
- Forecasted local health conditions
- Health themed news feed

Custom Boards

Combine content from several different widgets to create a personalized information feed for your digital signage. Choose from the standard widgets to create your Topic Board, and if you don't see what you want, then share your vision with our team, and we'll bring it to life.
